

As this will be the last term with us in school for our lovely year 2 children, we would like to give them the opportunity to be inspired for their homework project from their memories and time spent at Mount Street Academy.

Children may like to consider their favourite class, year group, wow day, trip, teacher, productions, assemblies, aspect of their learning, friendships or any other memory which stands out for them!

Children might like to respond through:

- **Writing** – e.g. as a newspaper report, diary writing, narrative/story
- **Artwork** – depicting their memory through a media of their choice
- **Videos/power point** – making a diary or information video or slide show of responses to their time at Mount Street.
- **Poetry** –encapsulating their memory in verse
- **Diary** – a raw and honest recount of a favourite day in school
- **Journey maps** – e.g. a journey of each year group/class or even the physical journey depicting their familiar route to school

The above ideas are by no means exhaustive and we know that children with their wonderful imaginations will have alternative ways to interpret the homework themselves. Please be creative and encourage your child to think about what has made their time happy and special to them.

We will share the projects in school on the week beginning 10th July 2017.

Many thanks for your support.
