

Sports Premium Funding

At Mount Street Academy, PE and sport plays a vital role in achieving our mission statement: 'Creating a Haven in which children flourish'. We believe children should be provided with the opportunity to 'flourish' in every area of their learning, including physically.

Sports Premium Grant 2016/17 Summary

From April 2013, the Government announced that it would be providing additional funding to improve the provision of PE and sport in primary schools. This funding has been made available to schools in the academic years 2013-2014 2014-2015, 2015-2016 and 2016-2017.

This initiative has been devised to improve the quality and breadth of PE and sport provision, including increasing participation in PE and sport across primary schools. It is intended that this funding will promote healthy lifestyle choices and give children the opportunities to reach the performance levels they are capable of.

A summary of how our funds were spent in 2016/17 was as follows:

Income £8,885

Expense: £9,615 (overspend of £730)

Activity	Expenditure	Impact
1.5 days a week coaching/ Teacher support in PE from Multisport pro (reduced to 1 full day after Easter). One Evening club lead by multisport pro.	£6,240	Children are receiving specialist sports teaching. Teachers have more skills and confidence when teaching PE themselves as a result of coaching.
Energize	£3,375	Exciting dance lessons for children.

Last year we raised an astounding £2,400 through our sponsored Mini-Marathon during our 'Fit to Fly' week. This money was used to purchase brand new sports equipment and playground boxes, which the children are already enjoying.
