A FEW WORDS FROM MRS HORN & MRS NICOLL

We have said hello to some new children this term and we are pleased to report just how well 13 new little caterpillars are settling into the Mount street family! Miss Rachel Monk has taken on the role as Keyworker for this group and we are looking forward to seeing how they get on!

As well as hello's we also have to say a very sad goodbye to one of our most treasured members of staff. Mrs Janice Fisher has been at Mount Street for over 20 years. Her roles has been varied but always busy. A smiley face to greet our visitors at Reception, Golden treats, letters home to parents, delivering forgotten lunch boxes, phoning parents, answering calls, and so many more jobs including putting this newsletter together! Her last day with us is tomorrow Friday the 25th Jan and I am sure you will join us in thanking Mrs Fisher for all she has done and wish her a long and happy retirement.

YEAR 1 NEWS

What a thrilling couple of weeks back we have had so far! The children have settled straight back into their learning after the Christmas break and we have enjoyed hearing all about what they have been up to. You may have noticed that we had a visitor in our outdoor area last week...

The children discovered that an alien has crash landed and left some of his belongings behind! This week we have been writing a fact-file about the alien and have written about what he looks like, where he lives and what he eats. We are now in the middle of creating our **own** alien and we will then be creating our very own fact-file! Why not ask your child about the alien they have created? We are also learning all about the Solar System and will be comparing different astronauts, such as Neil Armstrong and Michael Foale.

International Week for Year 1 (commencing 4th February) is soon approaching and we will be learning all about China. We wondered whether you may have something to do with China that your child would like to share with their class? This may be photos, clothes, food, special artefacts etc. We would love to see something if you have it!

We hope to see lots of you at SHARE tomorrow afternoon. Thank you for your continued support, as always.

YEAR 2 NEWS

Usher Gallery Trip

Just a gentle reminder to send any outstanding slips/payment for our trip to the Usher Gallery on 8th February. If you are able to help with this trip, then please let us know as soon as possible. Many thanks.

Muck, Mess and Mixtures

The children are thoroughly enjoying the science focus for this term! They are demonstrating fantastic scientific skills in their predicting, observing and suggested explanations in our weekly experiments. The awe and wonder in the reactions when they carry them out is pure joy to be part of.

We are looking forward to seeing the home learning projects later this term to see how the children have responded to the theme!

SATs Information Meeting

Just an advance notice that we will be scheduling a SATs information evening for parents of year 2 children in March. This is an important meeting which will provide you with information about the statutory tests which all children at the end of KS1 must take in May. It will be an opportunity for you to ask questions and to be reassured about how the process is undertaken in school. We will confirm the date in the next newsletter and will look forward to seeing as many of you as possible at the meeting!
